SUBJECT: Proposed Elimination and/or Reduction in Grade of SF Positions

25X1A9a

1. Mr. [redacted] called the undersigned this date to get our concurrence and/or reaction to the following proposals:

25X1A6a

*Auth - 1 Pos - GS-14*

[redacted] - When surveyed by PMCD, they assumed it would remain Class A and they determined the GS-12 SF position should be downgraded to GS-09 as long as S Careerist remained C/Support. EUR is now proposing conversion to Class B and elimination of the SF job.

25X1A6a

*Auth - 1 Pos - GS-14*

[redacted] - PMCD has determined that the GS-12 SF position should be reduced to GS-9 -- EUR agrees. This is based on survey made last year. (NOTE: [redacted] job is being cut from GS-14 to GS-13). - *Support Job*

25X1A9a PMCD says Station has greatly contracted in activity over the past several years and jobs don't compare gradewise to jobs in EA & NE areas.

25X1A9a Mr. [redacted] did agree that the bulk of work in [redacted] is finance and that it possibly should be filled with Finance type but that this is up to us and S Career Service.

2. I advised Mr. [redacted] I would check with you and advise him of our reaction.
